

Oct. 15 - 18, 2019 🌍 **ICBME 2019** 🌍 **Abuja, Nigeria**
3rd International Conference on Biomedical Engineering

Dear Colleague,

Invitation to Participate in ICBME 2019

On behalf of the Conference Organising Committee, COC, of the International Conference on Biomedical Engineering (ICBME 2019), I wish to invite you to Abuja, the federal capital of Nigeria, the most beautiful city in most populated country of black Africa on the occasion of ICBME 2019 holding between October 15 and 18, 2017, with theme: Regulations for Safe Use and Application of Biomedical Equipment and Technique.

The conference is organised by the biomedical engineering family in Nigeria represented by the Association of Biomedical Engineers and Technologists of Nigeria (NABET). The conference will also serve concurrently as the 19th Annual General Meeting of the NABET.

The Conference is an international event and so expected to attract biomedical engineers, technologists and technicians, medical doctors and physicists, pharmacists, nurses and other biomedical scientists.

About 1000 participants are expected from across Nigeria, Africa and the entire globe covering a wide range of professionals from the academia, R & D, healthcare, industry and the government.

The conference shall feature current global biomedical engineering, sciences and technology views from special topic sessions, plenary and keynote sessions, as well as Continuing Education and Professional Standards Programme.

Sincerely,

Engr Prince Monday O. Mbah, FCBET,
Chairman, Conference Organising Committee
